

Minor Racer Information

We require that a parent or legal guardian register a minor rider for race AND practice days. For legal purposes, we require a completed liability release and minor release form by a parent or legal guardian for each event. Additionally, you need a parent or an assigned legal guardian present in the case you require medical treatment.

If your parent or legal guardian is unable to register a minor racer, you are required to bring a notarized permission note assigning another adult permission to register the minor racer. If you choose this method, please note:

- The notarized permission note should be downloaded or should be an exact duplicate as shown.
- You will need a need a notarized permission note for each day you race or practice. The date shown in the note must match the date of the race or practice.
- You should have two copies of each notarized permission note. One for Sandusky Valley Riders and one for the adult to carry incase medical care is needed.

If you have any questions, please feel free to contact us!
